

AirGo 100

SPORTS & FITNESS COOLING FAN

POWERFUL. PORTABLE. PURPOSE-BUILT.

A 1 m high-velocity directional fan for gyms, tennis and padel courts and fitness studios. Roll it courtside or mount it permanently to keep players and members cool.

MOBILE Lockable swivel castors – roll it courtside or across the gym floor

WALL OR CEILING MOUNTED

- Permanent bracket installation
- Keeps courts and gym floors clear
- Ideal above courts, studios and weight areas

SIMPLE SPEED CONTROLLER

- One dial: Off, then 0–10
- Down for court play, up for HIIT, spin and weights
- Runs on a standard 230 VAC supply

BUILT FOR SPORT & FITNESS

- Gyms & weight rooms
- Padel courts
- Spin & group exercise
- Tennis courts
- Fitness & HIIT studios
- Sports halls & courtside

ENGINEERED FOR RELIABILITY

- ✓ Fully enclosed grille
- ✓ Maintenance-free
- ✓ S1 continuous duty
- ✓ Direct drive, no belts
- ✓ IP55 motor protection
- ✓ Low power consumption
